Organisation et structure	Organisation and structure
<p>The Spanish National Committee, established in 1934, is one of the oldest PIARC National Committees.</p> <p>The Technical Road Association (<i>Asociación Técnica de Carreteras</i>), is a non-profit national association and has fulfilled the role of PIARC National Committee since 1971.</p> <p>The Technical Road Association provides secretariat services to the PIARC Spanish National Committee, supporting the World Road Association in the translation into Spanish of different issues i.e. updating and translation of PIARC web site, NC Newsletters, Blue Guide, and technical reports and documents.</p> <p>Its mission is, among other issues, to mobilize stakeholders in the road sector to encourage an exchange of knowledge and training in the field of road and transportation, to disseminate to a national audience information provided by PIARC (Congresses, Seminars etc), to promote in Spain the benefits of PIARC membership and the collection management of the PIARC membership fees.</p> <p>The Technical Road Association has 11 active National Technical Committees with approximately 40 members per committee. They must support international members and study interesting items in Spain. They meet 3 or 4 times a year.</p> <p>The Board of Directors and the General Assembly of the Technical Road Association are the representation and management bodies of all the activities.</p> <p><i>Change at the Head of the PIARC Spanish National Committee:</i></p> <p>During the General Assembly and the Board of Directors of the Technical Road Association (<i>PIARC Spanish National Committee</i>) held on 24th June 2014, <i>Mr. José María Izard</i> was elected as a new Managing director of the Spanish National Committee.</p>

-----------------------------	-----------------------------------

A survey has been distributed to delegates during each event organized by the PIARC Spanish National Committee (Conferences, Seminars, Courses, etc). Until now the Spanish NC activities are obtaining outstanding marks.

5. Congrès de l'AIPCR	5. PIARC Congresses
------------------------------	----------------------------

XIV International Winter Road Congress 2014, in Andorra:

The Spanish National Committee has been very active disseminating all Congress news via email to members and contacts. RUTAS magazine has been following up the organization of this event in order to inform periodically to prospective attendees. There were many participants and oral presentations from Spain. It is worth highlighting the prize for the best paper awarded to a work presented by Mr. Enrique Soler Salcedo, (Executive Director of Autovía de Los Llanos S.A., Spain), on the topic: *Efficient Winter Roadways for a Restricted Budgetary Context*.

During 2014 The Spanish National Committee has been following up the organization of the *XXV World Road Congress in Seoul in 2015* and disseminating information on this Congress, as well.
